Department for Education

Hi All,

We are now halfway through term 4 and I cannot believe how quickly it is going. Our students are very busy at the moment undertaking swimming and preparing for our end of year concert. Staff have also been busy writing student reports and working on class placements for 2019.

As I'm sure you will agree, term 4 can be very busy for all of our community and it is often the time of year where students can be more tired than usual, and often out of sorts (as we all can be). If you feel that your child may have an 'off' day please do not hesitate to let your child's teacher know and we can put some strategies in place to assist them.

Have you noticed our new banners? On Tuesday our groundsman erected two new school banners, one on Dyson Road and the other on Gulfview Road, letting our community know that we are currently taking enrolments for next year. Our school is nestled in amongst beautiful grounds, but unfortunately many families are unaware that we are here. If you know of a family looking for a school to enrol their child/children in please do not hesitate to point them in our direction. School tours are available should they want to have a look around.

WANTED: We are currently looking for volunteers to assist us in planning for our 50th birthday next year. If you would like to be involved we would love to hear from you. Please give Karen in the office your name and we will be in contact with you.

Finally, thank you to Ben and the Year 7 students who ran the Halloween school disco. Everyone had a fantastic time and it was great to see so many students attend. The money raised will be going towards the Year 7 graduation.

Acting Principal

SWIMMING

It is fantastic to see so many of our students enjoying swimming this week. Through the swimming program students develop a range of knowledge, skills, understanding and attitudes about:

- water confidence
- survival in the water
- swimming technique
- rescue of others
- water safety
- endurance and fitness.

Year 6 / 7 Aquatics

Please return the forms along with the money to the front office by **Friday 23rd November**. First in first served with the preferences on activities so get them in quick to avoid disappointment.

Materials & Services Charges

As it is nearing the end of the 2018 school year we would appreciate payment of all outstanding school fees as a matter of urgency.

Thank you to all the parents/caregivers who have paid in full or applied for school card, or are paying fees off via Centrepay. It is appreciated. Please remember that school fees are legally recoverable.

All unpaid fees as at 14th December 2018 will be forwarded to the Department of Education Debt Collector.

Business Manager

After School

Can you please make sure that you and your child/children have left the school grounds prior to 3.15pm. The gates can then be locked and the playgrounds will be free for OSHC children to access. A bell will be rung at 3.15 to remind people that they should be off school grounds by this time.

Reports

If you require a second copy of your child / children's report please call the front office on 83825888 and let Karen know.

This can either be given to your child / children to bring home or it can be posted.

Good luck to everyone in the draw.

Boyz Biz

In Term 1 and 2 next year the Smith Family will be running an after school program for boys called Boyz Biz.

Boyz Biz is a program created to provide life skills through hands on activities. Activities are wide and varied and include; cooking, fire safety, science & technology and fun projects, team work games and movement challenges, martial arts, whole group & small group work, special guests & presenters, parent & caregiver family game sessions.

The program is ideally targeted at year 6 & 7 boys who will benefit from having positive male role-modelling in their lives. This could be due to not having a male role model in their home life or reinforcement of specific development needs such as social interaction or empathy.

The program is very flexible in this regard and activities will be selected to meet the needs of the participants.

We are looking at holding the program on a Tuesday afternoon after school.

If you are interested in your son taking part in this program please call into the front office for a consent form. Consents need to be returned to the office by Tuesday 4th December.
