Hi All,

Welcome back to Term 3

Leadership Changes Term 3

I will not be in school for the next 10 weeks as late last term I was offered an exciting opportunity to work in town as part of the School Improvement Division. This will be a great learning journey for me and one I was keen to explore. I, however, only said 'yes' to this offer as I knew I had an excellent Leadership Team who could step in behind me and continue our improvement agenda at O'Sullies.

I am pleased to announce that Mandy Hackett, will be Acting Principal in my absence. Sam Watson will step into an Acting Deputy Principal role and the Well-Being leader role is to be covered by Caitlin Williams. I leave the school in their safe and capable hands, knowing they will have everyone's full support.

Official STEM opening ceremony

We are pleased to announce that the Hon John Gardner MP will officially open our STEM building works on Wednesday 15th August at 2.30pm.

Please keep this date free as we want as many of our community to attend as possible. Mandy will work with Governing Council to keep you updated on the event details. I am happy to confirm that I will also be present for this important milestone in O'Sullie's history.

Sullies Turns 50!

Next year our school turns 50 and we want to celebrate this major event in style. Lisa Pinder, our Business Manager, has been collecting memorabilia to display at the event. We are also looking for a working party to work with both Lisa and Mandy to plan and coordinate the event. If you are able to help be part of the working party or have any memorabilia of past years, please let Lisa or Mandy know. We know lots of our parents attended O'Sullies so I'm sure there are lots of old photos etc. out there!

Have a great term and see you all at our STEM opening,

Regards,

Debbie Grzeczowski

Principal

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- the student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Sam Watson on 8382 5888. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

O'Sullivan Beach Primary School

Warmly invites you to our:

STEM Opening Ceremony

Wednesday 15th August 2.30pm

*Where the Hon John Gardner MP will officially open our STEM Works refurbishment
Please join us at this prestigious event and participate in our open classrooms and celebrate
with a community BBQ*

Free Positive Parenting Program

Do you sometimes find you have questions about your child's behaviour and development and not quite sure where to turn?

- Positive Parenting (Triple P) teaches simple and practical strategies to confidently tackle parenting challenges
- aimed for parents of children aged between 3 and 12

Please join us for three FREE sessions where we will discuss and learn strategies relating to:

- **Positive Parenting**
- **Raising Confident and Competent Children**
- **Raising Resilient Children**

Light refreshments will be provided

When: Tuesdays 9.15am - 11.15am; 21 Aug, 28 Aug, 4 Sept 2018

Where: O'Sullivan Beach Primary School - 51 Galloway Rd,
O'Sullivan Beach

To book: Phone the school reception: 8382 5888

Everyone is welcome to join us for these engaging and informative sessions, however bookings are essential

Happier families. Better relationships. Successful kids.

These seminars are delivered by the Department for Education's
Positive Parenting Team

Government of South Australia
Department for Education

Fresh Produce Stall

Help raise funds for "Planet Ark Tree Day" by supporting our produce stall.

Freshly picked silver beet, lettuce, spring onions and herbs, plus seedlings, plants and succulents.

Available every Thursday after school outside of the front office.

Spare Clothes

Thank you to the wonderful parents and staff who very kindly donated bags of clothing for our spare clothes stock.

If your child is sent home in spare clothes, please wash and return it to the front office asap so that it can be available for other students to use.

We are still taking donations of clean socks and underwear – especially in the smaller sizes.

Breakfast Club

Please remember that breakfast club is on every morning from 8.30 am in the library, if you would like your child to attend please collect a form from the front office.

Student Absences

If your child is going to be absent from school please call the school on 83825888 by 9.15am to let the office know.

Did you know that if you have the Skoolbag or Seesaw apps you can also use them to advise us of student absences?

Please note that verbal explanation by another student is not acceptable.

When we are not notified of absence we contact parents and if a satisfactory response is not received we are required to make a report to the Attendance Officer.
