NOTICE

Hi All,

Recently you would have received a letter home asking for you to sign off on your child/children being dismissed 1 hour early at the end of each term and after sports day. This is a newly developed agreement by the Department for Education and comes into effect in 2021. For the remainder of this year students will still be dismissed 1 hour early at the end of term 3 and term 4, as well as 1 hour early at the end of sports day.

Students across all year levels are currently participating in the annual Progressive Achievement Tests (PAT testing). Students in Year 1 to Year 7 are undertaking PAT Maths, PAT Reading and Spelling. Students in Reception participate in Early Years Maths and Early Years Reading. Additional support is provided during the tests for students. The tests are administered once a year. They provide teachers with diagnostic information that identifies a student's learning strengths and areas of growth. Staff will analyse each student's results, with the information gained used to inform planning and programming in the classroom. Through this information teachers are able to pinpoint specific areas of development for individual students.

It is that time of the year again when we start to consider classes for next year. It is very important that we begin with accurate student numbers. If your child/children **will not** be attending our school next year, please let us know as early as possible. If you have any information that you would like taken into consideration with placement of your child next year, please provide it **in writing to staff at the front office by Friday 23rd October (Week 2 Term 4)**. It is important to remember that there are only a limited number of classes available at the various year levels and that we have to work within these to ensure that every child is placed in the best possible class.

Kind regards,

Mandy Hackett

Principal
