NEWS LETTERS

Hi All,

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with a Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with a disability. Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with a disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability. This data collection will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified; the privacy and confidentiality of all students is ensured. If you have any questions about the NCCD, please do not hesitate to contact me.

Each year we go through a process to appoint team captains for our sports teams as well as two school captains. With the interruption to school this year we have been unable to finalise this until now.

We have recently changed the number of sports teams we have from four to three which ensures each team is equitable. Our sports teams are blue, green and yellow in colour to represent the historical significance of the creek, hills and beach to this area. We are currently waiting on permission to use Karna to rename these teams – hopefully we can announce these soon! In the meantime I am pleased to announce the following team captains:

- Blue team – Shania & Cameron
- Green team – Lucas & Scarlett
- Yellow team – Syrus & Lila

It also gives me the greatest honour to announce, after a whole school vote, our school captains are:

Syrus and Lucas!

Well done to all of our captains.

Kind regards,

Mandy Hackett

Blue Class

STEM

Project

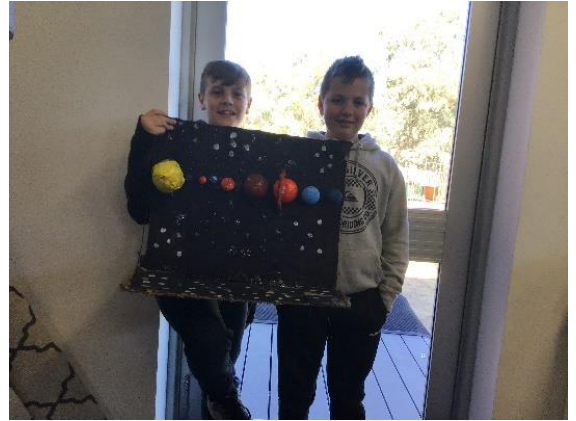

In Term 2, Blue class studied the Solar System in our science lessons. As a STEM project, Miss Lawry set a task for us to make our own Solar System. We had 4 lessons to finish them.

“Making the sun was very challenging but still fun. Making the asteroid belt was fun too and the painting was really fun.”

- Tyson H and Josh

This term we are learning about Physical Science. So far, we have looked at light and how it travels. We also learned about how we see colour. We are looking forward to learning more about light and electricity!

“We found gluing the planets together was challenging and the painting was fun.”

- Logan and Tyler

We had to think about the right colours for the planets, and think about the sizes of the planets when selecting different size Styrofoam balls. The materials we could use were cardboard, Styrofoam balls, paint, textas, glitter, glitter glue, paper, hot glue, string, skewers, and more.

“The most challenging part was the time limit. My favourite part of it was painting the planets and sticking them to the box and seeing the finished product.”

- Caitlin and Michael

ZOO SNOOZE GREEN 1 & 2

For parents/caregivers of students attending the Zoo Snooze, please ensure that full payment is made by Wednesday 12th August. The Zoo needs to know final numbers on Friday 14th August. Payments can be made at the Front office, or can be direct credited to the school account at Bank SA -BSB 105119 Account 435079740. Please use Student surname as reference. Any queries re payment please contact Lisa at school or email lisa.pinder549@schools.sa.edu.au

CONTACT NUMBERS

Important notice to all parents/caregivers. Please ensure that the school has up to date and correct contact phone numbers for yourself as well as your emergency contacts. It is important that we can reach you if required for any reason. Please call 83825888 or email dl.1060.info@schools.sa.edu.au

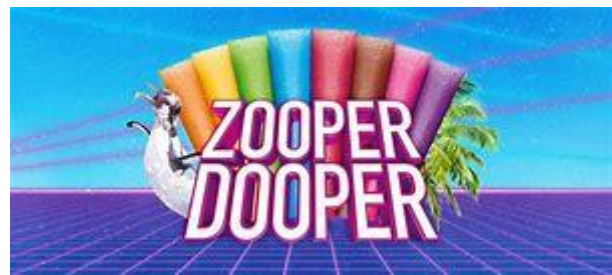

GOVERNING COUNCIL MEETING

The next Governing Council meeting will be held on Tuesday 11th August 2020 at 6pm. If you would like to attend new members are always welcome.

SCHOLASTIC BOOK CLUB

Issue 5 orders can be made via the Scholastic website, by using your child's class colour when ordering online or alternatively please drop your order along with payment into the front office. Book club Issue 5 orders are due tomorrow- Friday 7th August 2020.

ZOOPER DOOPERS

Zoooper Doopers are sold every Tuesday and Thursday at lunchtime from the front office for 50c each. Please note there is a maximum of 2 per student.

VISION SCREENING

Screening will take place on Tuesday 25th August 2020 at school. Consent forms were sent home in Week 2. Please make sure forms are returned to the front office by Thursday 13th August 2020. Thanks.

LOST PROPERTY

Please remember to name every article of clothing, hats, drink bottles and lunch boxes before they come to school.

Unnamed lost property is now located in the foyer of the front office.
