NOTICE**

Hi All,

Last week we held our Annual General Meeting of Governing Council. Governing Council is an integral part of the management of the school. I would like to thank the following people for putting their hands up to be on Governing Council:

Chair of Governing Council - Jason Lange

Treasurer - Bronwen McCrae

Counsellors – Michelle Adams

Kirsty Turner

Emily Hurrell

Eva Reschke

I would like to sincerely thank our Governing Council for their continued support of our school. We are still looking for new members to join the council. If you would like to come and see what happens meetings are held on Tuesday in week 4 and week 8 of each term at 6pm. The next meeting is on Tuesday 16th March.

Four student free days are provided each year by the Department for Education for the purpose of professional development of staff. The student free days are approved for the year. The student free days are on the Tuesday 6th April, Friday 11th June, Monday 19th July and Monday the 20th September. Please pop these important dates in your diary.

Sports day this year is being held on Thursday the 1st April, the day before Good Friday in Week 10 of Term 1. There will be an early dismissal on this day (if consent is held). Last year most of the events were held within the boundary of the school instead of the oval, and we will be doing the same thing this year. Running races will still be held on the oval. At this stage we are hoping that parents will be able to attend, however it will depend on COVID restrictions at the time, which will not be known until closer to the date. Let's keep our fingers crossed that this will not change.

Kind regards,

Mandy Hackett

Principal

Hi all,

My name is Mikayla Howland, and I am a student from Flinders University. I am currently completing my third year of the Bachelor of Social Work. I aspire to then complete a Masters of Social Work to expand my knowledge and learning. I will be at O'Sullivan Beach Primary School as the social work student for terms 1 and 2, and am grateful to be completing my first placement here!

This is my first experience as a social worker, and I welcome all the challenges and rewarding experiences that lie ahead! I am very excited to learn the role of a social worker in a school environment, and put the theory I have learnt into practice. I look forward to building relationships with the students, their teachers, and their families. I have thoroughly enjoyed my first couple of weeks with the students, and I look forward to the next two terms I will spend with them. If you see me around the school, please introduce yourself and say hi! I would love to get to know you all.

Mikayla Howland

OPEN NIGHT
